The YEP was created to link youth who had participated in a Green Street program with other environmental learning and action opportunities.</p>					<p>x</p>

**Young
Naturalists Club**

YNC connects children and nature through a unique program of volunteer-led nature clubs across the province of BC. From Fort St. John to Prince George to Vancouver and Atlin, our network of family and school nature clubs engage youth in exploring the wonderfully diverse ecosystems of British Columbia and developing a sense of pride and responsibility for our natural heritage. The clubs are supported by BC's only children's magazine about local wildlife, NatureWILD, and an Action Awards Program that recognizes individual achievement.
