

Minutes for LSA – February 21, 2017

4:00pm – Water Literacy Program – potential for future collaboration. www.fraserriverkeeper.ca/waterliteracy

4:05 – Aboriginal Greeting

4:06 – Round table introductions with special welcome to Selina. Thank you to Selina for information on how to become a local chapter, what our expectations as a local chapter would be, potential for future funds, opportunities for collaboration and potential goals.

Websites of note : www.eepsa.ca and www.bceen.ca

4:44 – Thank you to Ron for trying to connect to Burnaby Lake. He will follow up with this.

Potential opportunity for outdoor education collaboration with Burnaby Mountain. They are starting up a cross-curricular outdoor education program and would want their students to connect with elementary classes to share their learning with. Send Ron a direct email if you are interested in connecting your class with this program next year.

UBC looking to start a sustainability and aboriginal education cohorts for next year. Keep eyes open for potential to be an SA for that.

5:01 – Round-Robin on what we've been doing lately in our classes.

5:25 – Showcasing out door blog, especially the Field Trips section. Should we re-name it to Field Trips and Opportunities to reflect the potential for bursaries and funding within?
