

EEPSA Local Chapter Meeting

Date: October 18, 2017

Location: Modern Café

In attendance: Molly Butler, Stephanie Noel, Tara Johnson

Regrets: Janette Vickers, Michelle Gadbois, Matt Kieller

EEPSA business

- EEPSA update (from Selina):
 - New logo has been released
 - video from the 2017 Leadership Conference has been released

1) Previous business

- Pro D: WILD BC - Get Outdoors Workshop took place on Sept. 25 at Columbia Park Elementary
 - Enjoyed by participants and included a great resource.
 - Outdoor classroom update:
 - Will be looking for other lead carpenters to take over the building of the BVE and AHE outdoor structures. Aaron Potter has put in many unpaid hours. Most of the supplies for the structures have been ordered and paid for. The wood is being stored at the high school and other items are being ordered as needed.
 - The project is over budget so there is no honorarium for a carpenter.
- Idea:** Present to Rotary about the project to try and get more money.

- The CPE structure: fittings were poured and holes have been backfilled. Cutting and staining of materials continues. TJ Roofing has volunteered to provide and install the roofing materials.
- Coyote's Guide
Idea: use some of our meeting money to get some food and talk about a specific chapter. Invite can be extended to others. No date has been set at this time.

4) New Business

- Molly brought the resources that we have:
 - Guide des parcs nationaux du Canada
 - Place-Based Education by David Sobel
 - Beyond Ecophobia by David Sobel
 - Get Growing! Activities for Food and Garden Learning Edited by Jolie Mayer-Smith and Linda Peterat
 - Connecting the Dots by Stan Kozak and Susan Elliot

These are available for borrowing!

- We have been given 5 Get Outdoors kits from CBEEN. They are arriving on Friday and will be available for all members, with one placed in each school.
