

# EEPSA Local Chapter Meeting

**Date:** November 22, 2017

**Location:** Modern Café

**In attendance:** Molly Butler, Stephanie Noel, Tara Johnson, Michelle Gadbois, Sarah Newton

## **EEPSA business**

Check in with EEPSA: Jan. 16, 2018 at 4 pm

- one person needed to do the check in

## **Previous Business**

### **Outdoor Shelters:**

- ❖ Almost done! The structure area is still fenced off and the roof is being installed soon (donated by TJ roofing)
- ❖ Meeting with Mike is needed to finalize some of the details for the next two shelters to be built. Will someone be paid for some of the carpentry work, especially to have a lead carpenter?  
Mike has mentioned that more support will (could?) be available for the next 2 shelters. Discussed the idea of applying to Rotary for another grant.
- ❖ An article will go in the Times Review SD 19 insert about the outdoor structures project and our funders.
- ❖ Discussion on what to put in the shelters for seating. This will vary depending on what each school wants. Some schools may want to have

tables for writing. Stumps or foam mats are also simple and cheap options for sitting in the structure.

## **Resources**

- ❖ Colleen will post the list of resources that we have on the RTA website, along with a short description of the resource and where to go to sign it out.
- ❖ Kits have been distributed to other schools (from CBEEN)
- ❖ Molly will bring our book resources to the next meeting.

## **Budget**

Michelle sent an email to EEP SA on Oct. 17, inquiring about the budget. EEP A sent a reply at that time stating that they didn't know where their budget was at.

\*Another email came in today (Nov. 22) "The next meeting to be held will be end of December early January. I hope you can bear with us to disperse budgets as we wait for our overall budget to be dispersed."

## **Coyote Guide:**

We are thinking of meeting in the spring to discuss Coyote's guide and test out activities. Dates will be set for spring meeting times, likely after school (outside) instead of in the morning if we are incorporating Coyote's Guide.

**Next meeting: Jan. 17, 2018**
