

SUPPORTING TEACHERS

*Support and training
to build confidence
and capacity*

- Pro-D Opportunities
- Networking Events
- Funding Opportunities
- Resource Library

SUPPORTING STUDENT LEARNING

*Get kids outside
to learn and play*

- Providing opportunities for place-based experiential learning
- Developing outdoor classrooms and natural play spaces

SEED36

Surrey Ecological Educators in District 36

CONNECTION TO COMMUNITY

*Connect with the
larger network of
sustainability leaders
in the province*

- Partnerships with the City of Surrey, Surrey Parks, University programs and more
- Access to Metro Vancouver programs and support
- Regional and Provincial Conference Opportunities

DISTRICT LEADERSHIP

*Help advocate
for change at the
District level*

- Foster district-wide growth in environmental education and sustainable district practices
- Support policy changes
- Promote district wide initiatives that support Outdoor and Environmental Education

Growing Surrey Schools' Network of Ecological Educators

HOW YOU CAN GET INVOLVED:

Contact SEED36 President Andrew Landry (landry_a@surreyschools.ca) to:

- Sign up for the SEED36 email list
- Participate in SEED36 events, Pro-D, or meetings
- Join the Environmental Educator's Provincial Specialist Association (EEPSA)

EEPSA
